

Athlete's Code of Conduct/Expectations

At WCS, our athletic purpose is 1) **glorify God**, and 2) **further develop our Christian character** in connection with WCS's overall vision, mission, and core values.

Our competitive philosophy is known as **TO.BY.FOR**. At WCS we compete:

- According **TO** God's Word
- **BY** God's power
- **FOR** God's glory

Athletes and coaches are expected to memorize and internalize our purpose, and competitive philosophy. In addition, our Code of Conduct consists of a set of expectations for each individual athlete. These are derived from scripture and serve as a guidepost for every situation, on and off the field.

WCS Athletic Expectations are as follows:

We compete for a higher purpose and look to grow our character through sport.

We compete according to God's Word, by His power, and for His glory only.

We prepare hard, practice hard, and play hard.

We love each other, officials, and opponents.

We edify our teammates and build them up.

We keep the unity of the spirit and work together as a team.

We expect excellence of ourselves, and from each other.

We protect our bodies from harmful substances, and social media and endeavor to recover well so that we may play well.

We pray individually and as a team.

We forgive one another.

We give thanks.

We are positive.

We are coachable.

We are humble.

We stand firm in our faith and do not waver.

I will accept responsibility for striving to abide by these expectations in every circumstance, as well as the overall policies and rules of the school.
